Model Boats

We stock a wide variety of different makes of model boats. So wide that there is no way we could fit them all on this leaflet. Instead we have just shown a sample of our most popular boats here.

The boats shown here are either ready built or are very easy to build. Smaller boats like the Magic Vee are for small calm areas of water like ponds. The larger boats can cope with rougher water on lakes and rivers. You should avoid using any R/C boat in the sea, as the salt will corrode the electronics very quickly.

All the R/C boats we stock are either electric or yachts. Engine powered boats are banned from most places because they are noisy and leave a film of oil on the water.

If you would prefer to spend time building your boat, we also stock a range of kits. Some of these can be radio controlled and some are purely for static display. Subjects include sailing ships like HMS Victory and smaller vessels. These can cost from £80 to over £750. We have catalogues for the major makes in the shop.

PIRATE DEAL PRICE

Joysway Pirate

The Pirate is a medium sized yacht that comes almost ready built. It is decorated with a very colourful pirate themed scheme over a black hull and sails.

To get it sailing you just have to fit the mast and sails, insert the batteries into the radio control.

Length: 665mm

FOCUS DEAL PRICE

Focus yacht	£219.99
4 AA batteries	£2.00
Total:	£221.99

Joysway Focus

The Focus is a detailed model of an ocean going yacht. Featuring a one meter long hull in red or black and sails made of rip stop nylon, this is an excellent first yacht.

It comes almost ready built, you just have to fit the mast and sails, insert the batteries into the radio control and you are ready to sail.

Length: 995mm

Rivos XS

The Rivos XS is only 276mm long but its powerful water cooled motor makes it very fast for its size at around 20 km/h. It has two channel proportional radio control and is suitable for small ponds or swimming pools. A 6V rechargeable battery and dry battery powered charger are included in the box.

Length: 276 mm
