## Model Boats

We stock a wide variety of different makes of model boats. So wide that there is no way we could fit them all on this leaflet. Instead we have just shown a sample of our most popular boats here.

The boats shown here are either ready built or are very easy to build. Smaller boats like the Magic Vee are for small calm areas of water like ponds. The larger boats can cope with rougher water on lakes and rivers. You should avoid using any R/C boat in the sea, as the salt will corrode the electronics very quickly.

All the R/C boats we stock are either electric or yachts. Engine powered boats are banned from most places because they are noisy and leave a film of oil on the water.

If you would prefer to spend time building your boat, we also stock a range of kits. Some of these can be radio controlled and some are purely for static display. Subjects include sailing ships like HMS Victory and smaller vessels. These can cost from £80 to over £750. We have catalogues for the major makes in the shop.

### PIRATE DEAL PRICE

Pirate yacht	£179.99
8 AA batteries	£4.00
<b>Total:</b>	<b>£183.99</b>

## Joysway Pirate

The Pirate is a medium sized yacht that comes almost ready built. It is decorated with a very colourful pirate themed scheme over a black hull and sails.

To get it sailing you just have to fit the mast and sails, insert the batteries into the radio control.

Length: 665mm

### FOCUS DEAL PRICE

Focus yacht	£219.99
4 AA batteries	£2.00
<b>Total:</b>	<b>£221.99</b>

## Joysway Focus

The Focus is a detailed model of an ocean going yacht. Featuring a one meter long hull in red or black and sails made of rip stop nylon, this is an excellent first yacht.

It comes almost ready built, you just have to fit the mast and sails, insert the batteries into the radio control and you are ready to sail.

Length: 995mm

## Rivos XS

The Rivos XS is only 276mm long but its powerful water cooled brushed motor makes it very fast for its size at around 20 km/h. It has two channel proportional radio control and is suitable for small ponds or swimming pools. A 6V rechargeable battery and dry battery powered charger are included in the box.

Length: 276 mm

RIVOS XS DEAL	
Rivos XS inc R/C, battery and charger	£39.99
<b>Total:</b>	<b>£39.99</b>

## Volantex Blade

The Volantex Blade features a water-cooled brushed motor. It has two channel proportional radio control and is suitable for calm areas of fresh water such as small ponds. It comes complete with a 7.2V 1,800 mah ni-mh battery and a slow charger. A fast charger would be a recommended upgrade and this costs between £13 and £25.

Length: 665 mm

RIVOS XS DEAL	
Rivos XS inc R/C, battery and charger	£85.99
<b>Total:</b>	<b>£85.99</b>

## Joysway Rocket V2

The Joysway Rocket V2 is a medium-sized 33 mph water-cooled brushless motor powered speed boat. It has two channel proportional radio control and is suitable for calm areas of fresh water such as small ponds. It requires a 2 channel R/C, an 11.1V lipo battery and a charger to complete.

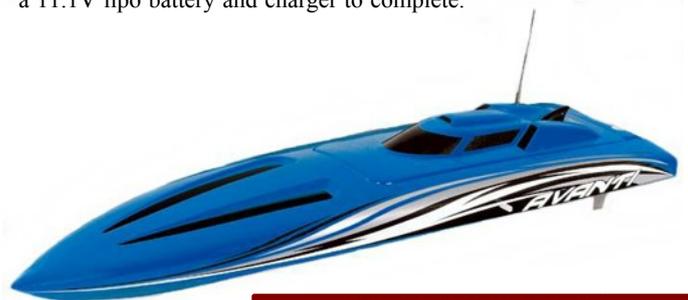

Length: 620 mm

JOYSWAY BULLET DEAL	
Joysway Rocket V2	£139.99
2 Channel transmitter and receiver	£34.99
11.1V 2,200mah lipo battery	£17.99
Reflex fast charger	£12.99
<b>Total:</b>	<b>£205.96</b>

## Thunder Tiger Avanti

The Thunder Tiger Avanti is a big fast water-cooled brushless motor powered speed boat and is available in either orange or blue. It has two channel proportional radio control and is suitable for open areas of fresh water such as large ponds and lakes. It requires a 11.1V lipo battery and charger to complete.

Length: 740 mm

THUNDER TIGER AVANTI DEAL	
Thunder Tiger Avanti inc R/C	£217.50
11.1V 2,200mah lipo battery	£17.99
Reflex fast charger	£12.99
<b>Total:</b>	<b>£248.48</b>

## Joysway Bullet V3

The Joysway Bullet V3 is a large very fast speed boat capable of speeds of 38 mph. It has a very powerful water-cooled brushless motor and speed controller and a two channel proportional radio control. It is suitable for open areas of fresh water such as large ponds and lakes. It requires two 7.4V lipo batteries and a charger to complete.

Length: 740 mm

JOYSWAY BULLET DEAL	
Joysway Bullet V3 inc R/C	£209.99
Two 7.4V 3,250mah lipo batteries	£53.99
E430 fast charger	£22.50
<b>Total:</b>	<b>£286.48</b>

## St Tropez cruiser

The St Tropez is a scale pleasure cruiser that can be operated in calm water like in a swimming pool. It has a 2 channel R/C that gives forward/reverse and left and right control. An 8.4V rechargeable battery and a charger are included in the price.

ST TROPEZ CRUISER DEAL	
St Tropez Cruiser, R/C, battery and charger	£169.99
<b>Total:</b>	<b>£169.99</b>

Length: 670mm
